Special Leaflet Devoted To RNPOTLOG

REF: SCAM-4816

1. Field wishes to report it has not forgotten valiant members of APPLE team in its PW activities. As Headquarters knows hundreds of thousands of the Martyr leaflet were dropped separately, and latter the same text was incorporated in the April OBKEEK. In addition HTGRUB and possibly OBKEEK from time to time is going to feature material about the APPLE trial and RNPOTLOG such as that provided by the 14 April OADACID report (IR 5635.160-Page 2) which points out inconsistencies about accusations against RNPOTLOG.

2. Because of such factors as the difficulty of getting our regular OBKEEK leaflets printed and dropped on schedule, RNPOTLOG's weak testimony at the trial, and the circumstances surrounding the control of APPLE, we do not feel that the APPLE trial and RNPOTLOG personally offer rich enough material for another special leaflet. However, if Headquarters has an idea as to how the material on RNPOTLOG can be presented in a favorable aspect, Field will give careful consideration to the specific text proposed by Headquarters.
